Dual Meet Comments

Our four wins came with bonus points. I was pleased with Aaron Pliska`s major decision, he`s developing and with experience he`ll find success. Groshek`s been out with an injury, so tonights pin is a good way to come back. Johnson`s major decision leaves him with a 24-2 record, a team best. He`ll be working hard to prepare for his final run at the tournaments as he`s a Senior. Senior Cody Kowalski stands at 15-7. He`s a pinner, his wins are all pins but for one forfeit. He`s dealing with some injuies, but he`s not going to let them keep him from competing. Saturday we travel to Manawa for their invite.
